

ALBI & THE WOLVES

Location: Auckland

Albi & The Wolves set fire to stages and fill hearts with hope with their uplifting and relatable alternative indie-folk songs. Since 2014 Chris Dent, the proud albino front man Albi, Pascal Roggen and Micheal Young have crafted a stage show that's brimming with energy and moments to pause for reflection. Though the band is made up of typical acoustic trio instrumentation (Electric violin, guitar, double bass, a stomp, and their three vocals) the result of their collaboration stands out in their genre and defies what would traditionally be called "folk", more alleging with modern Americana. Slick harmonies, soaring violin, and sweeping dynamics help characterise the bands unique sound, a sound that won them the Best Folk Artist Award at the 2018 Aotearoa Music Awards. They are an act to see live so if an opportunity arises, do not miss it. Performances can be tailored for theatres (Story orientated), or for festivals (Dance orientated).
